

NandaHealth

Embedded risk scoring for EU neobanks

Founder: Priya Nandakumar · London

PROBLEM

Neobanks lack real-time risk tooling

- Fraud and credit risk handled by legacy vendors
- Slow integrations, poor European coverage

PRODUCT

API-first risk engine

- Real-time scoring via a single API
- EU-focused data, GDPR-native
- Currently pre-launch (private beta soon)

TRACTION

Early demand signal

- 1,200 waitlist signups pre-launch
- 3 design partners in conversation
- No revenue yet

TEAM

First-time founder

- Priya Nandakumar — Head of Risk at a top-3 EU neobank
- First company; solo founder seeking technical co-founder

MARKET

European risk & fraud tooling

- Every neobank needs embedded risk
- Bottom-up sizing to be validated

ASK

Raising €750K pre-seed

- Ship beta; hire technical co-founder
